5.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. 5.2 Marketing/Tracking cookies

Marketing/Tracking cookies are cookies or any other form of local storage, used to create user profiles to display advertising or to track the user on this website or across several websites for similar marketing purposes.

On our website we have included buttons for Facebook, Twitter and Instagram to promote webpages (e.g. "like", "pin") or share (e.g. "tweet") on social networks like Facebook, Twitter and Instagram. These buttons work using pieces of code coming from Facebook, Twitter and Instagram themselves. This code places cookies. These social media buttons also can store and process certain information, so a personalized advertisement can be shown to you.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies. The data that is retrieved is anonymised as much as possible. Facebook, Twitter and Instagram are located in the United States.
